Dear Parent/Carer

I am writing to invite you to the re-launch of the **Friends of Fakenham Academy**.

At Fakenham Academy, our key drive is to continuously improve educational outcomes for all our students. We believe that education is the key to transforming life chances, and that by creating an outstanding learning environment where all students are happy and taught well we will enhance their prospects to become productive, successful citizens of the future.

As a school leader it has always been paramount to me that education is more than just exam results and qualifications gained. It is about educating the whole child and making sure that whenever they leave us, they are prepared to enter today's modern world, as well rounded capable young men and women.

The aims of the Friends of Fakenham Academy are:

- To strengthen links between Fakenham Academy and its community.
- Working together with our community, to improve the quality of the educational experience at Fakenham Academy.
- Celebrating the successes of Fakenham Academy.

If you are interested in being part of a group using our combined skills to improve the educational experience for our students, then please join us at our launch event at Fakenham Sixth Form at 6.00pm on Thursday 18th October 2018. The evening will start with a short presentation on our aims, before opening up the discussion on how this can be taken forward.

We are looking to start with one project, to act as the catalyst for future growth

Yours sincerely

Mr Richard Evans
